How does Variety Tasmania help?

Make the new year a breeze!

Knowme lets YOU create a webpage to describe the needs and abilities of a young person. This helps avoid you telling their 'story' over and over again.

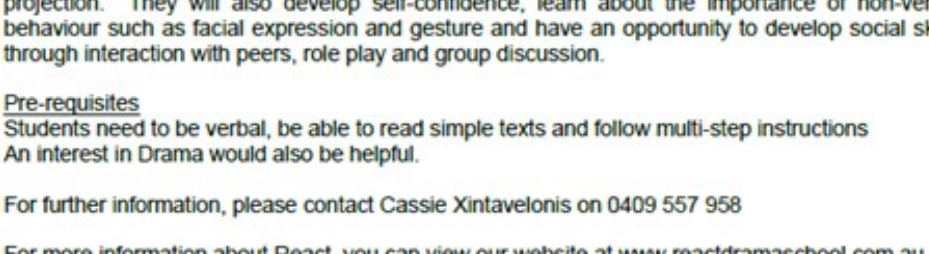

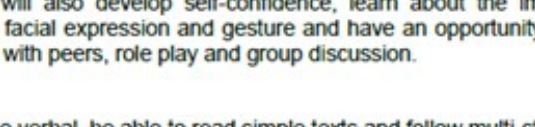

Knowme lets you document all of a young person's care and support needs in a secure online environment - which makes sharing important information easy and convenient.

Parents and carers are able to request their own password protected Knowme account, and, once registered, information can be entered, and guests (such as teachers, doctors, carers and therapists) can be invited to view or contribute to the profile information - at YOUR discretion!

Pages can be individualised, and images and PDF files can be uploaded. Knowme makes it easy to collect information from, and share information with, teachers, teacher assistants, carers and health professionals, all in one secure place.

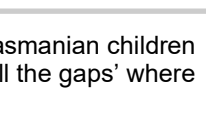

Call Tascare now on 6272 8265 to set up an account ready for the new school year!

lives and help children reach their full potential. Our scope includes Tasmanian children who are sick, disadvantaged or have special needs. Variety aims to 'fill the gaps' where there are no alternate sources of support.

Who is eligible for assistance?

Assistance is available to individual children, schools, community groups or other organisations that help kids in need. To apply for assistance, individuals must be:

- able to demonstrate a genuine need;
- come from a household where the net income is less than \$75,000;
- be less than 18 years of age; and
- be a resident of Tasmania.

Schools, community groups or other organisations must:

- cater for children aged 0 – 17 years of age;
- operate in Tasmania; and
- be a registered business.

What items does Variety normally grant?

Variety Tasmania's Grants Program is designed to be flexible and allow you to apply for the items that best meet your child's / organisation's individual needs. Variety understands that every child is different, so every application is considered on a case by case basis.

- Medical equipment, such as nebulizers, hospital beds, hoists or insulin pumps;
- Communication and learning aids, such as iPads, interactive learning equipment or Eye Gaze systems;
- Mobility and positioning aids, such as wheelchairs, orthotic suits, Liberty Swings or Sunshine Coaches; and
- Opportunities and experiences such as fully funded attendance at Goanna Camp, Scholarship Grants, and basic everyday items to enable children to participate in peer activities.

Please note these are examples only, and do not represent the limits in ways in which Variety can assist.

How can I apply for help?

You can request assistance at any time by completing Variety's application form, accessed online at www.variety.org.au/tas. If you require assistance in accessing or understanding the application form, please feel free to telephone Variety's office on (03) 6248 4888.

How long does the process take?

All applications are assessed by an independent Grants Committee, which meets at the beginning of every month. Variety's Committee will endeavour to assess all applications quickly, however some requests may take between eight to twelve weeks for a decision to be made. Please note that approval of applications is at the absolute discretion of the Variety Tasmania Board and compliance with the application criteria does not guarantee approval of an application. Variety will advise you in writing of the outcome, as soon as a decision has been made.

What happens if my application is successful?

Funds will be paid directly to the supplier on receipt of its invoice. No payment will be made directly to the family or organisation, nor will cash payments be made. When the equipment is delivered or installed, the ownership is transferred directly from the supplier to the child/organisation. As Variety is not the owner of the equipment, it is not liable for any ongoing maintenance or insurance.
